

INVESTMENT PROFILE FOR RESIDENTIAL PROPERTIES, GERMANY / AUSTRIA / UK / NORDICS

ART INVEST
— REAL ESTATE —

Art-Invest Real Estate invests in residential properties in prime or good locations in larger cities.

— LOCATIONS:

- Large, mid-sized, and university cities and metropolitan regions with sustained positive demographic and socioeconomic development (macro-location).
- Good residential locations close to the city center with very good accessibility by public and private transport with stable social and infrastructural facilities (micro-location).

— USE:

- Residential properties (privately financed and subsidized depending on commitment modalities).
- Proportional complementary commercial use (e.g. medical practices, local supply) and/or childcare centers of no more than 20% of the rental space.

— MINIMUM INVESTMENT VOLUME:

€ 15 million

— QUALITIES:

- Preference given to new construction projects, but also to existing properties and real estate portfolios, provided they are no more than 10 years old, require little maintenance and generate stable rental income.
- Good, flexible floor plan design with marketable equipment standard that ensures affordable housing for the middle class.
- Compliance with minimum energy standards (KfW-55 or higher) and relevant ESG criteria.
- Selective review of property acquisitions, project developments and forward deals.

— TRANSACTION STRUCTURE:

- Focus on asset deals in Germany, in Austria, UK, Sweden also on share deals.
